

Attention Business Owners...

4 out of 5 Businesses fail in the first 5 Years...

In fact only 4-5% make it past 10 years.

Do you have a Business Plan to prevent this? 4 out of 5 don't.

Discover at this practical hands-on workshop:

1. The 3 keys to all successful businesses
2. Why an employment crisis is about to hit and what you need to be doing.
3. How to start working 'ON' your business
4. How to write a practical plan for your business that will allow you to see:
 - Where you are now
 - Where you want your business to be in the next 2-5 years
 - What areas you need to be targeting
 - What strategies you need to put in place to achieve the growth you are after
 - What areas of your business need improving
 - What are your businesses strengths, weaknesses, opportunities and threats?
5. How planning becomes simple as you actually start to write your own plan

Start working on your business, not just in it!
