Agreement Making Information Session for Employers - 2 Hours

7 March 2007
9.00am - 11.00am

OEA, OWS, AWA's, CA's.... What's it all about?

Commerce Queensland's Workplace Relations experts, in conjunction with the Department of Employment and Workplace Relations, will demystify the jargon and provide a working knowledge of Workplace Agreements through practical agreement making information sessions, delivered across Queensland. The sessions will give employers specific skills and practical knowledge of structuring workplace agreements, including mandatory content, excluding prohibited content, and addressing the protected award conditions.

This is a great opportunity to hear from industry experts with substantial experience in agreement making across varied industries. Participants will gain an understanding of agreements which may kick-start your business on the path to worthwhile agreement making.

Places are limited, and bookings are essential. It is highly recommended that you attend a seminar on WorkChoices to understand essentials prior to attending this agreement making session.
