Welcome to IBRP Kingaroy Speedway

Welcome Competitors, Officials & Race Fans,

On Behalf of the South Burnett Speedway Club, I'd sincerely like to welcome you to the Ian Boettcher Race Parts Modified Sedan Kings Royal. This will be the eighth running of the Kings Royal event, although the very first Kings Royal event was rained out and we never saw laps turned. The list of nominations is extremely impressive and our club along with plenty of others is excited about the weekend ahead. Providing that if all 81 Modified drivers who have nominated turn a lap this week, this year's IBRP Kings Royal will be the biggest ever.

I personally would like to take this opportunity to thank everyone that has travelled such a large distance to compete in this event. When you can attract such an amazing field of drivers to an event, you know the action is going to be phenomenal all weekend.

Our hard working team is very passionate about speedway in particular SSA Sedans and look forward to making this another huge success for everyone involved. We'd also like to thank our major sponsor Ian Boettcher Race Parts for their support of this event and continuing to back our venue. Without all of your contributions, we wouldn't be able to put this weekend together so thank you again for your support.

If it is your first time here, welcome to Kingaroy and please enjoy your stay. If you need to know anything or have any query or concern, please don't hesitate to ask any of our hard working club volunteers that we have located around the track, as we are very willing to assist where we can.

Other than that, sit back, relax and enjoy the show, as we get set to crown another Kings Royal champion on Sunday night for the 2019/20 season.

Yours in racing,

Travis Barron
President
South Burnett Speedway Club Inc

There is several food and drink outlets situated surrounding the track. A wide variety of hot and cold food is available for purchase, as well as hot and cold drinks.

ALCOHOL

The Kingaroy Speedway is strictly a NO B.Y.O. track. Management and security reserve the right upon entrance to the venue to inspect bags, eskies or containers for the presence of alcohol. Alcohol is available for purchase at the "Bar" which is located next to the Main control tower near the start finish line or up on the back straight "Hill Bar" located on the western side.

RESTROOM FACILITIES

Men's and ladies toilet facilities are available in both the pits and the public areas. The restroom facilities near the Main control tower offer toilets, showers and change rooms.

EVENT CANCELLATION

Should it be deemed necessary, whether due to inclement weather, mechanical or electrical malfunctions or any other unforeseen circumstances beyond the promoter's control, to cancel the event before the **SIXTH event**, pass-out tickets for the very next race meeting will be issued. **No money will be refunded under any circumstance.**

PIT AREA RESTRICTION

Unfortunately, we must restrict access to the pits unless you have a "pit pass". We welcome you to look at the cars and talk to the drivers after the race meeting, but we must ask that you refrain from this area during the race meeting. Dress code for the pit area requires that closed shoes must be worn. If you want to gain access to the pits during a race meeting, you can purchase a "Pit Entry Pass" from the Pit gates for only \$10.00. The Pit Area is an alcohol free zone at all times. We welcome you to come down to the pits for free, after the meeting has finished, to get your favourite drivers autograph!!!

About the Kings Royal

The Kings Royal is back and bigger than ever in 2020. After seven seasons, the club believes they have finally found an excellent format that is fair to everyone and gives every driver, even on the final night a realistic opportunity to make the finals.

2019 was a huge year for Modified Sedans with a hugely successful Kings Royal and the SSA National Modified Sedan Title. Because of this and the ever growing interest in IBRP Kingaroy Speedway and the IBRP Kings Royal, the club has attracted this impressive field this weekend.

Based on this, the IBRP Kings Royal VIII will pay out around \$40,000 in cash with \$26,000 of that paid out during the A Main alone. This year's winner will once again pocket a huge \$10,000, but the most important thing for everyone taking part will be that fact that all competitors will be guaranteed a minimum of \$200 for turning up and taking part in the biggest Modified Sedan event in the country.

Kings Royal History

This will be the eighth running of the Kings Royal at IBRP Kingaroy Speedway. From what started as an idea to showcase our great sedan divisions has quickly become one of the biggest and richest paying Modified Sedan events in the country. After the first year's event was washed out during the 2013 Australia Day floods and massive weather event, the next six events have been huge successes with only four people having won this prestigious event.

With a record list of nominations, this year's event is shaping up to be a cracker.

What is the Queens Royal?

The Queens Royal is an event created to celebrate the contribution that all women have made and continue to make within the speedway community.

This season it is back again and once again the entire concept is all about fun and celebrating women in speedway. It incorporates every aspect of the sport, including driver's, crews, officials, volunteers on and off the track along with the massive part as the support network for many families and drivers as mother, grandmothers, wives, sisters or friends. The contribution so many women in this sport is phenomenal and we can't thank you all enough.

Queens Royal Year	Winner	Runner-Up	Third
2018	Maddi McGee	Jessica O'Meara	Sarah Franz
